Annual Meeting and Council Elections

Our annual meeting of the Providence Forge Homeowner's association will be held **Monday evening May 20, 2024, at 7 PM** in the barn. For those unable to attend in person, there will be a zoom link. Applications are due by 4/22. Ballots will be sent out soon after. Council election results will be announced at the meeting. There will be an update on our reserve study and plans moving forward for our major projects. Please plan to attend.

Landscape & Grounds

Inspections are starting again with Spring in full bloom. It's time to get ahead of the weeds and get your black mulch down for the season.

Pets

Pets must be on a leash when outside.
Pick up after your dog. Don't leave the mess. Dispose in your trash.
Don't walk your dog on the playground.

Parking

Be considerate of other's needs for parking. If your household has an extra vehicle, it should be parked in the islands of the cul-de-sacs or where there are spaces between buildings such at the playground. Whenever possible don't disrupt a parking space your neighbor may be accustomed to.

Fire Prevention

Have you had your dryer vents cleaned in the past 2 years? Murphey's Dryer Vent Service will give a discount if a group of residents signs up for the same days. (murphysdryerventsevice.com) Check your smoke detectors. Clean the filters in your stove hood.

Noise

Please be considerate of your neighbors and keep the noise down. It has been noted that subwoofers transmit noise throughout the building, so it is recommended they not be used. Avoid yelling and keep your dogs from barking. Don't do home repairs late in the evening or early morning hours.
